- You **MUST** turn in the article with your summary. All articles must be stapled to the back of the summary sheet. **I will not accept summaries without the articles attached. If you do not have a printer or run out of ink, email the article to me. maryanne.vanermen@southfieldk12.org (You must include your name on the email you send. You also must check with me to be sure I received the article via email.)**
- You may only do each U.S. state or country **ONE** time. For example: you may only report on Michigan one time.
- **The summaries are due every Thursday and will be worth 10 points each week.**
- **SEE ME during Seminar if you need help! Do NOT wait until the due date to ask questions or tell me you couldn't find anything!!**

Helpful Hints and Resources:

1. Remember to email me the article if you are having printer/computer problems. maryanne.vanermen@southfieldk12.org
2. Do not wait until the night before to do this assignment. Computers/ Printers ALWAYS break the night before. I will be less forgiving if you have waited until the last minute and then tell me on the due day that you are having technical difficulties!
